Note: Scholarships to offset costs of private lessons are provided through private donations/benefactors. No public school funds are used for this opportunity. There is a set and a limited amount of scholarship funds available each year, and it is the goal of the Institute to provide assistance to as many applicants as possible. Scholarships are two-fold: **Major:** 90% tuition covered or **Minor:** 50% tuition covered. Students are expected to finance the difference.

Recipients of these scholarships will be notified in writing prior to the start of school.

Please return your completed application to Mrs. Lucinda Roberts, Fine Arts Coordinator, in a sealed envelope by November 25, 2015.
